

## Field

### Neighborhood in Minneapolis

#### About this area

The Field neighborhood is bordered by 46th Street East, Chicago Avenue, Minnehaha Parkway, and I-35. It is part of the Field Regina Northrop neighborhood. Field boasts three schools: Southside Family Charter School (K-8), Field Community School (5-8), and Watershed High School (9-12). There are a variety of businesses within the Field neighborhood, including flower shops and dining establishments.

#### Trends in the area

Total population, 1990-2010

Population by age group, 2000-2010

Households by tenure, 1990-2010

Median household income (in 2009 \$)

Occupied units where residents pay rent	S	X	76,896	X
Median rent (2009 dollars)	S	X	\$761	X

\* Households paying 30% or more of their gross income for housing are considered to be cost-burdened. This definition of affordability is formally recognized by the housing industry. Housing costs for homeowners include mortgages, real estate taxes, utilities and fuels. Housing costs for renters include rent, utilities and fuels (if the renter pays them).

## NOTES ABOUT THE DATA

Data throughout these profiles come from three sources produced by the U.S. Census Bureau:

- 2010 decennial census (demographic data including total population, race and ethnicity, as well as housing units and types of households),
- 2009 Local Employment Dynamics data from OnTheMap (employment of residents, and local jobs and their characteristics); and
- 2005-2009 American Community Survey (all other data including income, education, housing and social characteristics).

Data from the 2005-2009 American Community Survey were collected by surveys over those five years, and therefore describe the average characteristics for the 5-year time period. These data have been adjusted using the 2010 census counts for population and housing to provide the best estimate of how many people or housing units relate to each characteristic. All dollar amounts are shown in 2009 dollars. Percentages may not sum to 100 percent due to rounding.

**X** indicates no data were available or not applicable.

**S** indicates that data were suppressed. Data have been suppressed when there were fewer than 10 people or units in a category, or the error margins were greater than  $\pm 10$  percentage points, or the error margins were greater than 25% of the estimate of a numeric value (such as median income). Large error margins occur when too few people were in the survey sample, making the data unreliable. If data have been suppressed at a neighborhood level, they are often available at a higher level of geography (community or city level).

Users are cautioned that many of the data on this document have error margins associated with them. Please visit [www.mncompass.org/twincities/neighborhoods.php](http://www.mncompass.org/twincities/neighborhoods.php) to access downloadable data files, including error margins and unsuppressed data.

# Portrait of Field

### Population by race/ethnicity, 2010

### Population by age group, 2010

### Households by income, 2005-2009

### Housing units by occupancy, 2010

### Jobs per square mile, 2009

These profiles were prepared by Minnesota Compass staff at Wilder Research, with the generous support of The McKnight Foundation, under the direction of numerous community advisors. For additional information about the Minneapolis and Saint Paul Neighborhood Profiles, and to download data files showing error margins, please visit [www.mncompass.org/twincities/neighborhoods.php](http://www.mncompass.org/twincities/neighborhoods.php)

Notes about graphs: People who ethnically identify as Hispanic may be of any race, but are represented only as “Hispanic or Latino” in the “Population by race/ethnicity” graph above. All race categories are non-Hispanic.
